Beyond hospital bills: what dog bite claims include:

A dog bite claim goes beyond hospital bills, covering both **economic** and **non-economic** damages, such as pain and suffering.

A dog bite claim covers more than medical costs:

● Medical expenses ● Pain & suffering ● Lost wages & capacity

Percentages shown are illustrative only, not set by law

Non-economic damages, such as pain and suffering, are often measured through established formulas, with the Multiplier Method being the most common.
